

## QUESTIONS TO ASK YOUR HEALTH CARE TEAM

1. **What are the treatment options for my type of cancer?**
2. **Should I consider participating in a clinical trial?**
3. **Is a targeted therapy or medicine appropriate for my tumor type?**
4. **What are the most common side effects with my treatment options?  
What can be done to treat or prevent these side effects?**
5. **What are the risks and side effects of using the different types of cancer treatments?**
6. **Will the treatment be painful? If so, is there anything you can do to help me deal with the pain?**
7. **How long will I have to go through treatment?**
8. **How long will it take for me to feel better?**
9. **Will I have to stay in the hospital?**
10. **When can I get back to my normal daily activities?**
11. **Will I have to eat different foods now that I have cancer?**
12. **Can I still exercise?**
13. **Can I have a copy of my records and tests?**
